Origine
Nanterre, France

Origine is a vast program of 77,800 m² which includes 10,800 m² of housing (145 housings) and 67,000 m² of offices but also a crèche and shops. Origine has taken up the technical challenge of renewing wooden architecture towards contemporary volumes thanks to an 8-storey wood/concrete structure.

Stora Enso supplied 2 000m3 of CLT used as floor.

HQE Excellent, BREEAM Outstanding, Bâtiment biosourcé, E+C- niveau E3C2, BBCA Excellent, BEPOS Effinergie, LEED Gold, R2S 3*, Biodivercity
