

# Ecospace

## Wambrechies, France

The wooden office "Bureaux Ecospace" in Wambrechies, is characterized by the usage of CLT-massive wood elements. In addition to the positive environmental effects the CLT massive wood elements by Stora Enso create a comfortable working atmosphere for the employees. The completion of the factory was in 2014, altogether the office comprises 561 m<sup>2</sup>.

### Office Building Concept by Stora Enso

The office buildings of the future are made of wood.
