Trafalgar Place Southwark London, United Kingdom

Trafalgar Place is the pioneer scheme for Lendlease’s regeneration of Elephant and Castle, comprising 235 high-quality apartments, including 25% affordable housing, integrated within a new landscape around mature trees, the project transforms the former 1960’s mega blocks with an outstanding site plan which reconnects the 19th-Century fabric of the neighbourhood. Multi-storey buildings in massive wood are high-performing, renewable structures that can help to meet the growing demand for new urban buildings and more efficient, sustainable construction.
