

Dojo

Châteauneuf sur Loire, France

The CLT massive wood construction is the key to an ecological building concept. This newly constructed building "Dojo" in Châteauneuf sur Loire, France comprises 1 300 m². CLT ensures a fast and easy construction and contributes to a better indoor climate. The completion of the Dojo was in 2015 and a total of 120 m³ CLT by Stora Enso was used for this construction project.
