

Library at The Dock

Melbourne, Australia

The first public CLT building, which is called Library at the Dock, has been erected in Melbourne, Australia. Victoria Harbour's new library is an outstanding architectural feature which meets all sustainability requirements and achieved the much sought-after Six Star Green Star rating under the Green Building Council of Australia. Building work has been completed in May 2014. The library has opened its doors to the public and forms part of a larger infrastructure project.
