University of Vigo Headquarters

Vigo, Spain

In Vigo's "fishing district" the Institutional and R&D wooden office building - headquarters of the University of Vigo in Spain - has been finalized. The general public building is characterized by the usage of CLT-massive wood elements by Stora Enso in non visible quality (NVI) and industrial visible quality (INV). Altogether the wooden office building comprises 1 500 m².

Office Building Concept by Stora Enso

The office buildings of the future are made of wood.
