# Arcadia Nursery

## Edinburgh, United Kingdom

**EURBAN**

A multi-award winning scheme created to provide early-years education for the children of University staff, students and the general public. The new building caters for up to 110 children from tiny infants of 6 weeks to five years of age. The building at Edinburgh University's King's Buildings Campus brings together two existing University nursery facilities into one purpose-built facility with an extensive outdoor play area.

### School Concept by Stora Enso

Let's build a learning environment for the next generation.
