

# Extension of Palacio Tondon

## Briñas, Spain

The extensions on new luxury suites of the hotel Palacio Tondon in Briñas, Spain was built with CLT massive wood by Stora Enso in 2018. Altogether, the project comprises 1 120 m<sup>2</sup>. The modern construction material has an extremely welcome side effect: the healthy climate within wooden structures creates a particularly pleasant indoor environment and has a demonstrably positive effect on the well-being. A total of 220 m<sup>3</sup> CLT by Stora Enso in non visible quality (NVI) was used for this extension construction project.
