

Partner of Stora Enso

# Shelves Houses

## Madrid, Spain

Very unique wooden residential building, designed as shelves using CLT and Glulam by Stora Enso elements from ground to roof. A collection of 9 luxury apartments, with open external facades that flood the spaces with light.

### Residential Multi-storey Building Concept by Stora Enso

Multi-storey buildings in massive wood are high-performing, renewable structures that can help to meet the growing demand for new urban buildings and more efficient, sustainable construction.
