Slovenian Pavilion EXPO 2021 Dubai

Dubai, United Arab Emirates

After a great success at EXPO 2015 in Milan, this year our Partner CBD d.o.o. in Slovenia can be proud of the exceptional cooperation with various highly qualified experts and the successfully completed project of building a Slovenian pavilion at EXPO 2021 in Dubai, UAE.

The unique design of the pavilion was designed in an optimal combination of steel and mass timber cross-laminated (X-Lam) CLT panels by Stora Enso. All CNC cuttings of the roof structure was performed in Slovenia and fully ready for the installation in Dubai.

You can visit EXPO between October 1st 2021 and 10th April 2022.

February 8th 2022 - Slovenian Day at the EXPO Dubai.
